

# Practical Experiences of Odour Management

---

16<sup>th</sup> July 2020, Virtual Event

9:45-10:00 **Reception and Networking**

10:00-10:10 **Conference Opening & Welcome:** Chair – Rowland Minall, General Manager, Aqua Enviro

## MANAGEMENT

---

10:10-10:20 **Practical odour management solutions for preparing for predicted climate changes in the UK**  
David Sivil, WRc

10:20-10:25 **Q&A**

10:25-10:35 **Approaches for holistic odour management**

Christoph Mannebeck, Olfa Sense

10:35-10:40 **Q&A**

## MODELLING

---

10:40-10:50 **Application of CFD (Computational Fluid Dynamics) in the investigation of nuisance odours**  
Ray Natrass, Renewi

10:50-10:55 **Q&A**

10:55-11:05 **Unlocking site potential and supporting sustainable development of sewerage infrastructure using odour modelling**

Barry Roberts, AECOM

11:05-11:10 **Q&A**

11:10-11:20 **Odour quiz- part 1** [www.menti.com](http://www.menti.com) (we will give you a code to enter)

11:20-12:00 **Networking**

## ASSESSMENT & TECHNOLOGY

---

14:00-14:10 **An odour assessment toolkit: Introduction and practical application**  
Nick Jones, Olfa Sense UK

14:10-14.15 **Q&A**

14:15-14:25 **Odour Management with Activated Carbon – Product Selection and Case Studies**

David Reay, CPL Activated Carbons

14:25-14:30 **Q&A**

14:30-14:40 **Practical Experiences Implementing Large Odour Control Schemes**

Richard Hanson, ERG (Air Pollution Control)

14:40-14:45 **Q&A**

14:45 -14:55 **Preventing Odour Emissions by Process Integrated Methods Using Readily Available Plant By-products**

Bart Kraakman, Jacobs, Bristol

14:55-15:00 **Q&A**

15:00-15:30 **Panel Discussion/Ask the Experts with:**

Sam Hantoosh, National Technical Advisor at the Environment Agency

Vasileios Mathioudakis, Technical Specialist at Yorkshire Water

Thomas Minter, Director at Malaby Biogas

15:30-15:40 **Odour quiz part 2**

15:40- 16:15 **Networking**
